

November 18th is Berkshire's Family Reading Night and the closing ceremony for our six week reading incentive program, "Read for the Gold"! Berkshire families are invited to join us at 6:30 pm for activities, awards, and refreshments. Students who completed their charts for all six weeks will earn a gold medal and will be entered to win prizes. We will have activities planned using computers, the motivation reading project and much more. We hope you will join us for our Family Reading Night. Remember, it is necessary that all children are accompanied by their parent or guardians. No exceptions! We look forward to celebrating reading with you and your family!
