

Celebration Book Club

The Celebration Book Club is back! If you would like to celebrate someone's life or a special event in someone's life (a birthday, a new baby sister, a lost tooth, etc.), please consider joining the Carroll Manor Elementary Celebration Book Club. It's easy. Simply fill out the information on the Celebration Book Club form (see below), attach a check made payable to Carroll Manor Elementary School for \$10, and stop by the library to pick out your book.

I ask that you choose a book from our current library collection because these books are library bound and are in our circulation system. We have many new books to choose from this year. I will place a special bookplate in the front of the book you choose to designate it as a Celebration Book Club book and to recognize the person or event that you are celebrating. Celebration Book Club books will be recognized in our school newsletter and placed on display in the library.

I hope you will take advantage of the Celebration Book Club as an opportunity to celebrate someone or something special in your life. All moneys we collect for the Celebration Book Club will go toward the purchase of new library books. If you have any questions, please stop by the library or call me anytime at 410-887-5947.

Thank you!
Mrs. MacKenzie

Celebration Book Club Form

Name _____

Celebrating... _____

Book Title _____

Please bring this form to Mrs. MacKenzie in the library with a check made payable to Carroll Manor Elementary School for \$10. Thank you for celebrating our lives with books!
