

2009 Baltimore County MESA Regional Champions

Baltimore County MESA Day - We received 1st Place for Story Book Theme Park Ride, Scratch Banner, and Slope/Rate of Change. We received 2nd Place for Effective Communications and Balsa Wood Bridge. We also won the Maryland MESA Day Regional Champions for Baltimore County. We will now be going to Maryland MESA Day Competitions, representing Baltimore County, for the state of Maryland on April 30, 2009.

2009 MESA State Competition Results

Chadwick Elementary School's 2008-2009 MESA Team are truly Chadwick Champions. The 30 member team returned to school on Thursday, April 30th with four trophies from the 5 competitions. Students from Chadwick Elementary School took

second and third places at the 2009 Maryland State Competition for Mathematics, Engineering, and Science Achievement.

(MESA). Students won second place in the on-site mathematics competition and captured third place in the scratch banner and balsa wood bridge competitions. This was the first time in many years that Chadwick has gone on to MESA Day for the state championship. To prepare for the competitions, 4th and 5th graders met at least twice a week, and they met every day in the week leading up to the competition. All of the Chadwick's advisors, Connie Trabilisy, Stacy Grice, Chris Frederick, and Meredith Jones are very proud of the accomplishments of the 2008-2009 MESA team.
