Dear Parents/Guardians:

Providing our children with an environment where they can receive a quality education is more than just a goal for the Baltimore County Public Schools' system, it is vital to the way we do business. The federal No Child Left Behind Act gives you the right to ask for and receive information about the professional qualifications of your child's classroom teacher, including:

- Any college or university degrees or certifications held by the teacher;
- The subject area of the teacher's degree or certification;
- Whether the teacher is certified by the State of Maryland to teach a particular grade level or subject area;
- Whether the teacher holds a conditional certificate; and
- Whether your child is served by paraprofessionals and, if so, the qualifications of the paraprofessional.

If you would like to receive this information about your child's classroom teacher, please make the request in writing to your school's principal. The principal will provide the information to you in a timely manner, in most cases within 30 business days.

Thank you for supporting your child's school and the Baltimore County Public Schools. Your continued interest and support are vital to helping our schools and our students excel and achieve.

Sincerely,

Joe A. Hairston  
Superintendent
