**American Education Week**

***“Great Public Schools: a Basic Right and Our Responsibility”***

This is the week that all family members are invited to visit our school and share in the children’s educational experience. Each morning from 8:30 – 9:00 a continental breakfast will be available in the cafeteria as Mrs. Evans and Mrs. Mason hold a parent meeting. An overview of the new report card will be provided and you will have an opportunity to ask questions and receive information about our school. Following the meeting you will join your children in their classes. Days have been designated for grade level visitations; however, you are welcome any day. We sincerely hope to see you next week.
