

**Glenmar Elementary School
American Education Week Events
November 16-20, 2009**

You are invited to join your child's class to celebrate American Education Week between 9:30 AM and 11:30 AM on your visitation day. Also, before classroom visits, we are planning parent workshops from 9:00 to 9:30 AM. Parents are invited to come to the cafeteria for refreshments and a workshop.

We are looking forward to having all of our parents, guardians and grandparents join us for this wonderful week. If you are unable to visit your child's grade on your designated day, please contact your child's teacher so that other arrangements can be made.
