

Elementary School Conference Day

Monday, November 23, 2009

Research shows that student achievement increases when parents, students, and teachers work as a team. A parent/teacher conference is an opportunity for you and your child's teachers to engage in conversations about student learning at home and at school.

Teachers will be sending home a schedule of conference times for Monday, November 23. If you have any questions or concerns that need immediate attention, please call your child's teacher.
