Grange students get ready for the challenge

The lobby at Grange Elementary told the story On Tuesday, October 27 at Reading Night. Students at Grange are ready for their Reading

Incentive Program for 2009-2010!

This year our students will be participating in Stallion Steeplechase, Giddy Up & Read. They will try to "jump" three fences, one each quarter, when they read the required number of books and completing the written requirements. Families and students had an opportunity at Reading Night to listen to stories, admire pumpkins that were transformed into book characters, bring in artifacts and see their teacher dressed in costume to add meaning to their classes' theme, and get information about writing reports.

Each student who attended had an opportunity to win a Reading Basket. Parents could win a gift certificate. Winners were:
