

Parking and Student Pick Up

For the benefit of families who are new to Grange, please note that cars are not allowed in the bus loop during dismissal time. Our bus drivers have noted “close calls” with cars that are double parked on the curve of the loop.

Our goal is to keep our children safe and we need your help to do so. Some parents have reported a concern with the high traffic volume in the alley behind Church Road. I understand there is a 15 MPH law pertaining to alleys. Please drive carefully.
