

**McCormick Elementary School
Learning Compact Between Home and School
2009-2010**

To accomplish our learning expectations, parents, teachers, administrators and students need to work together. We ask that you do your personal best to achieve this by completing and signing the part of the Learning Compact Between Home and School that applies to you. Please discuss the attached Code of Conduct with your child as well. As a result of families and school staff working together, we can ensure that our children will be successful in school.
