**Subject:** PSE Waterers Needed

Thanks to many wonderful Pot Spring families our trees and last year's gardens are thriving! Now we need to make sure that the 3,800 plants placed on the hillside by the basketball courts become strong and healthy. Guess what? This year's job should be EASIER...it can be completely done with a sprinkler! Could your family make time to come and water? Unless we have a very dry summer, the new plantings would be the only ones requiring attention. If we have a long period with no rain, it would also be good to place a sprinkler at the gardens by the primary playground, too. So, you could get the sprinklers started and have a picnic lunch or hike the grounds.

We are looking for volunteers who can come to water between the hours of 10:00 a.m. and 2:00 p.m. on any of the dates listed below. If you are able to volunteer, please complete the form below and return it to Mr. Noble as soon as possible. Send it electronically, if possible. Confirmation will be sent soon.

If you have any questions, please do not hesitate to contact Ms. Brown [jbrown4@bcps.org](mailto:jbrown4@bcps.org) or Mr. Noble [rnoble@bcps.org](mailto:rnoble@bcps.org).

Thank you,  
Ms. Brown and Mr. Noble
