

## **Relay Elementary: Journey to Success! Character Education Program**

Our Character Education program embodies the principles and traits which nurture the physical, mental and social/emotional development of the whole child. Traits will be introduced monthly. As they are introduced we will construct our “Pyramid of Success” toward giving our *Personal Best* in all we do!

September: Hard Work and Enthusiasm  
October: Friendship  
November: Loyalty and Cooperation  
December: Self-Control  
January: Action and Alertness  
February: Determination  
March: Fitness and Skill  
April: Team Spirit  
May: Poise and Confidence  
June: **Personal Best!**

This program is based on the “Pyramid of Success” structure developed by Coach John Wooden. The character traits are integrated in literature, discussions, lessons and even our agenda books used by grades 3-5.

Watch the monthly newsletters for suggestions to incorporate our traits at home and further resources!
