MISSION STATEMENT

The Stoneleigh Elementary School Community exists to enable all students to:

- Participate fully in rich academic, intellectual and social opportunities;
- Grow in their knowledge, creativity, diversity and self-acceptance; and,
- Become productive, responsible and respectful citizens.

Stoneleigh School Pledge

I pledge to treat others the way I want to be treated.

I will be trustworthy and do my best work.
I will respect others and be responsible for my own actions.

I will also be honest to myself and to others as I travel safely through the day.

VISION STATEMENT

As members of the Stoneleigh Elementary School Community and the Baltimore County Public School System, we believe that student growth and achievement is our primary function. To this end, we accept the responsibility to:

- Work together in collaborative teams, to set clear goals, and share best practices for improving student achievement on a continuing basis;
- Analyze and identify the strengths and needs of all learners to provide appropriate instruction; and,
- Monitor each student's progress in order to provide appropriate, timely and direct support and/ or enrichment.
