# ATHLETICS

"We support the philosophy that a quality interscholastic athletic program is vital to the positive social, physical, and educational development of students. The interscholastic athletic program enhances and supports the academic mission of the school system.

The Baltimore County Public Schools Athletic Association is committed to promoting the proper ideals of sportsmanship, ethical conduct and fair play at all athletic contests. We oppose instances and activities which run counter to the best values of athletic competition in order to insure the well-being of all individual student-athletes. We support high standards of good citizenship and propriety, along with regard for the rights of others" BCPS Athletics

## Academic Eligibility for Fall Sports

Students who fail two or more subjects during the fourth quarter are "academically ineligible," and therefore cannot play a fall sport.

Attending summer school is no longer an option to become academically eligible for fall sports participation.

If you have questions about academic eligibility, please call the Chesapeake High School Athletic Director, Rod McMillion, at 410 887-6386, or email him at [rmcmillion@bcps.org](mailto:rmcmillion@bcps.org).
