

Team Electives

Welcome to Team Electives. This is a participation and preparation based class. You determine the amount of participation and the frequency you come to class prepared. Essentially, you determine your grade. **YOU COME TO CLASS WITH AN "A," IT IS YOURS TO LOSE!!!!**

GRADING

You walk into class each day with 10 points, they are yours to lose. To keep your points you must be on time and prepared for class. You must also show your best effort in whatever activity that we are playing that day.

- If you are prepared in the proper gym clothes (dark shorts with a white or gray shirt) you earn your preparation points for the day.
- If you are late or tardy to class, you lose one point
- If you have just your shorts or just your shirt you will receive 50% or 5 points.
- You will receive effort grades every day based upon the amount of effort that you have given that day.

In order to get a good grade in Team Electives, you need to come prepared in your gym clothes every day!!!!!!

LOCKERS

Do not give your combination to anyone!!!

You will be given a locker and a combination that you are to keep private. The number one reason for theft in the locker room is people give out their combination to other people.

- Keep all belongings in your locker. Do not leave your possessions lying around on the floor or benches.
- Leave valuables at home.
- Leave coats and backpacks in your hall locker, these lockers are too small for bulky clothing.
- Memorize your combination, do not constantly ask Mr. Armiger for your combo.

You are in control of your own grade. Come prepared to class and you will have no problems.
