

SPECIAL PERMISSION TRANSFER APPLICATIONS

Superintendent's Rule 5140 allows parents/guardians the opportunity to submit requests to permit students in kindergarten through grade 12 to attend a school outside his/her school attendance area. Policy and Rule 5140 state that applications must be submitted between April 1 and June 1 of each year. Transfer requests for the 2009-2010 school year may not be accepted or considered prior to Wednesday, April 1, 2009, regardless of the reason for the application. Only applications for the rest of this current school year may be considered prior to April 1, 2009.

Any applications for the 2009-2010 school year received by schools before Wednesday, April 1, 2009, should be returned to the applicants with instructions to submit on or after Wednesday, April 1, 2009. Any applications principals have considered and have been appealed to the residency office will be returned to the applicants with the same instructions.
