

# DEEP CREEK MIDDLE SCHOOL

## College: The first step is High School. Is your child ready for High School?

Is your child ready for High School?

Preparing for High School starts in Middle School [www.bewhاتيwanttobe.com](http://www.bewhاتيwanttobe.com)

### GRADE 7...What Should you be doing?

#### Preparation:

High Schools use grade 7 report cards to determine placement in Magnet courses, AP courses and GT courses.

The best way to prepare for the HSAs is to keep on top of your school work..

#### What to do now:

Complete your class-work and homework assignments

Pay attention and ask questions during class, and

Study for tests and quizzes!

Preparation for High School begins in grade 7.

#### The future depends on you:

High School prepares you for college.

Your **future** depends on what you do now. The U.S. Census states that more you learn the more you earn.

There is life after High School. Start planning now.
